

## ANNOUNCEMENT

### e-Learning Course on «Solar Powered Irrigation Systems»

May 23 – June 19, 2022

On behalf of **Water and Energy for Food (WE4F)**, and **FAO (WEPS-NENA Project)**, we are pleased to announce a guided **e-Learning course on Solar Powered Irrigation Systems** ([www.spis-elearning.eu](http://www.spis-elearning.eu)), in **Arabic** and **English**, which will take place between **May 23 and June 19, 2022**.

Are you an advisor, service provider, researcher or practitioner in the field of agriculture water management and irrigation? And do you want to become an expert in solar-powered irrigation systems? **Then apply for our one-month e-Learning course on SPIS!**

By completing the e-Learning you will be enabled to provide broad hands-on guidance on Solar Powered Irrigation Systems to end-users, policy makers and financiers. Based on the **SPIS Toolbox** you will gain knowledge of the components of SPIS and how to design a technically and socio-economically viable system that mitigates risks related to unsustainable use of water resources and enhances the climate resilience of end-users.

#### The course will consist of:

- **19 lessons including study material** (resource documents, knowledge tests/quizzes and case studies from Kenya and Tunisia);
- **Weekly live events (webinars)** in which experts will give additional input and participants can discuss directly using video/audio;
- An obligatory **test/exam** at the end of the course which summarizes the acquired knowledges at the example of selected «real» situations;
- You will also have the chance to directly exchange with other participants via a **Forum & Networking Facilities**.

#### All participants will receive an official written certificate from WE4F | FAO if they have

- Participated **at least 80% of the training time**;
- Presented the requested «**home-works**» and written **assignments**;
- Took part at the final **exam, reaching a result of at least 80%**.

Please find more information on the e-learning and how to [apply here](#) or contact [course@margraf-publishers.com](mailto:course@margraf-publishers.com).

Online-Application is possible from February 07 to May 19, 2022.

**We look forward to your applications and to a successful e-Learning course!**
